AVIATION ADVENTURES, MUSEUMS & COLLECTIONS ITINERARY

The breath-taking hills that inspired Mark Twain have also made the Chemung Valley the *Soaring Capital of America*. Browse through the world's largest sailplane collection or try your hand at a flight simulator at the **National Soaring Museum**. Or if you prefer a first-hand experience, take a glider ride at the **Harris Hill Soaring Center** just steps away. Rides are offered spring through fall, as weather permits. **Wings of Eagles Discovery Center** offers a variety of hands-on flight experiences and an extensive collection of aviation and aircraft, and the **Glenn H. Curtiss Museum** in nearby Hammondsport provides a chance to view pre-Wright Brothers historical aircraft, engines and Curtiss antique motorcycles.
